

## PAT TESTING COURSE JOINING INFORMATION

### Venue

#### Hilton Brighton Metropole

Kings Road  
Brighton  
East Sussex  
BN1 2FU

Google Maps: <https://tinyurl.com/smyzrtj2>

The hotel is currently being refurbished and is expected to be rebranded as a 'DoubleTree by Hilton' hotel in 2023.

### Timings

The training course will start at 9.45am, however please aim to arrive at 9.30am for registration; refreshments will also be available. The course will end at 4.30pm. Lunch will be provided and will run from 12:30 to 1:30pm.

### Equipment

All necessary equipment will be provided on the day. If you have a PAT Testing Machine already, feel free to bring it with you to the course and we'll show you how to get the best from it. Otherwise, use ours! We can also give you unbiased information about the best machines to buy.

### Special Requirements

It is our policy to select venues that have facilities for disabled delegates but, please tell us if you have any special needs so that we can make any necessary arrangements in advance. Please notify us of any special dietary requirements as soon as possible.

### Travelling to the Venue

The hotel car park is very expensive – at the time of writing it is £25 a day. If you do decide to use the hotel car park, it is situated under the hotel and the entrance is on Cannon Place and there is a height restriction of 1.82m. We strongly recommend you either use public transport or park in one of the many car parks in the vicinity .

The venue is approx. 20 mins walk or a short taxi ride from Brighton Station.

### Contacting us

If you have difficulty getting to the venue or if you are running late, please contact us on 01482 827744.

## Course Programme

A one-day practical training workshop, presented by: Tim James, PAT Testing Expert.

The aim of the course is to enable those attending to gain the necessary skills and knowledge to carry out portable appliance testing in the workplace. The course will cover all the relevant legal requirements and contains practical sessions to enable those attending to test a variety of different appliances and detect common faults.
